

7K forces starter *Match the words to the meanings then give the missing word and the missing meaning.*

balanced forces	a force that pushes up in water	newtons
floats	causes a change of speed or direction	sinks
force	goes to the bottom of the fluid	upthrust
newton-meter	stays on the surface of water	???
	the pull of gravity causes this	
	the units of force	
	two forces are equal and opposite	
	???
